Howie

Where do I begin to describe
a year like this one. Once
again you have been an
extra big part of my year
and that place that you
hold in my heart has been
made bigger with memories
of the many things we have
shared.

Good luck this summer
and I do hope you enjoy
every minute of it all.

Oh and lets not forget
our lunch table discussions.
I learned so much! HA

And all I can say is
that you're one of the greatest
people I know and I
really do love ya a lot
for all the many things
we have shared. I'll never
forget 'em! Love ya

Kathy

I love you very much.

Sincerely,
Mrs. Hill

Helena,

We sure had fun in
French, didn't we?
Good luck on the future
and God be with you
always.

Angela Lawson

Helena,

What can I add to what Mr. Hill just said.

Next year on 'Coffee Express' is going to be great and
so are you. I can't think of anything else to say so
I'll just quit writing.

Love,
Paul

"H",

Let's call class to a beginning. I don't think I
could stand another week of it. Otherwise this
has been a great year. Good luck this
summer and I hope we get some classes
together next year.

Edith Hayes

P.S. Maybe I'll see you
at the lake.

Helena,

Well, another year has gone by. I can hardly
believe it! Remember Mr. Hill's class and the
letters. And Mr. Woodward, we had fun even if we
didn't learn much! Well see ya next year when
we're seniors. Be good and keep your love life
growing!!

Y.S.

is best?

Love ya,
Brenda

Helena, that
I'm sure we'll
someday we'll
all see you in
the morning. So
luck Mrs. Jones

Helen,

Well, I can't believe this year is really coming to an end! But it will be nice for summer to get here! We all had some great times in Spanish even if we talked too much! Be good and see ya this summer!!

Starout to Best!

Helen,
You'll know
how much I
missed you
this year!
I'll be back
in the fall!
Love,
Diana

Renee Foster

Helen,
Next year is your
senior yr. I hope
it's as good as
mine was.
Enjoy your life!

Love,
Carlene

Helen,

I want you to know that since I met you in the eighth grade that you have grown to be one of my closest friends. I thank you very much for helping me with my problems and being a friend. We have had so much fun in and out of school and nothing can take away those memories. I hope the best in life for you and Dudley, because you'll mean a lot to me

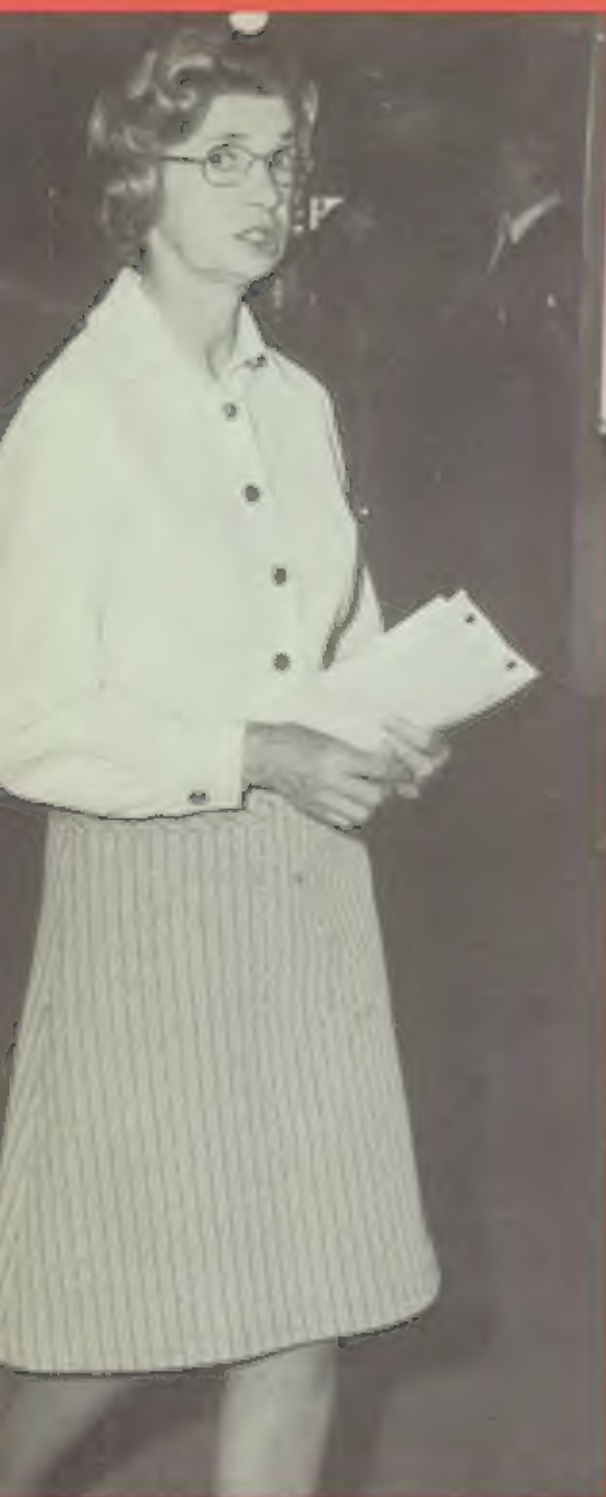

Love,
Paul

Helen,
 Always remember the great enthusiastic French
 class. We did have a lot of laughs that I
 won't ever forget. This year has seemed pretty
 mixed-up but it wasn't all that bad
 — wish you a lot of luck in all you do —
 you deserve it

In Memoriam

Mrs. Minnie Croom

For some things the human mind can find no answer. One of them is the way of life. All we know is that men must meet each day in life — with heads that though they be bruised, are still unbowed.

Life is Real, Life is Sweet and Life is Brighter under this Today provides another steppingstone on your pathway of life.

It is my wish that you be showered with warm greetings, cheerful voices, and hearty handshakes. As you greet old friends, let your gut be lively, your outlook positive — making the impact each new day can have on your destiny. Heed this counsel of Shakespeare: "Make use of time, let not advantage slip."

A black and white photograph of a person walking away from the camera on a path. The person is wearing a dark jacket and light-colored pants. The path is surrounded by trees and foliage, and the overall scene is somewhat blurry and grainy.

*Don't walk in front of me,
Don't follow;
Don't walk behind me,
I may not lead;
Just walk beside me
And be my friend."*

Dear

How glad we have English
together this year. It was strange
that we've finally made it.

You're a very interesting person
whose charming and well. There's
no one else like you.

How glad I know you.

Thank you so much for letting
my hair all these times. So going to
bring you a surprise this weekend.

Mother said, "You sure do have
a lot of fun in Helen. You let her
cut your hair." I guess I do,

but I just trust you. You do
get you in everything you do.

But if luck an evening you
and have your summer school.

Love, Mary Ann

THIS SIGNING WAS A FAILURE - DIDN'T TURN OUT AN^{NY} YEAR!
THING LIKE I WANTED IT - BUT THERE'S ALWAYS NEXT

Well hey!

What do you say?! Another year in a long series of years... not very different, yet very different.

It was so much the same: full of laughing & tears and good times & lots of love!! But the laughing was for different jokes (or Lunch Table stories); the tears came for a whole set of tragedies or boys. (Wow! I don't think I could imagine our lives without problems with _____ (boys) substitute appropriate names for '73-'74.) Good times like double dating at the drive-in, parking for I has (good times?), going to the YELLOW LANTERN, cruisin', talking about Dotson. Lots of love for each other (always) and for Ray Dudley, Dotson, how many?!

I think you & I have about the greatest potential for emotion of any two people I know. (Take that any way you want to!)

Next year will mark the end of an era, so to speak. We'll have to really live it up & pack a million memories in it! Can we may not see each other for a while after that. But, anyway - we've got a lot of time to laugh, cry, have good times, & love!

With love,
John

Helen,

This year has really flown,
but it has been fun. Those days in
Spanish were really something else.
Well, next year we will finally be
up there on top. Have fun this
summer & I'll see you next year.

Love,

Karen Gudwin

Helen,

This has been a really great
year, hasn't it? Especially when we
were in Spanish & Drivers Ed! I hope
you have bunches of fun this
summer with Dudley or Dewey!
Good Luck! Les Petites BEST!

Love ya,
Gana
Saulkner

It's been fun this year. Congratulations on the
Honor Society - I'm so happy!! I hope you can get
the job you want so bad - You deserve it! Have a
great time this summer. See you next year.
Good luck always!
Love,
Sara Ellen Dean

Like the BEST class alive,
like the class of '75!

In a word, I love you
Always with a big smile
and happy memories
Love Mom
